Honeywell

MSP AVIONICS
L3 – Third Party Agreement

Honeywell is proud to announce a new third-party partnership with L3 that expands our range of product coverage to deliver a more comprehensive service to you, our valued MSP-Avionics customers!

Newly Covered Parts

- TCAS 2000 Part No. 7517900-XXXXX
- TCAS3000 Part No. 9003000-55003, -55005, & TCAS3000SP - 9003500-55805,-55904,-55905
- Directional Antenna Part No. 7514081-XXX and/or 7514060-XXX

Exchange / AOG Process

- To perform exchanges covered by MSP-Avionics, customers must contact Avgroup directly at:

Exchanges: (770) 454-7500 - Option 1

AOG: (770) 687-9792 or salesatl@avggroup.net

- When performing MSP-Avionics exchanges for your L3 parts, be sure to have your:
 - MSP-Avionics contract number and
 - Failed part number

Contact your MSP-Avionics sales manager or MSPAvionicsSales@Honeywell.com for more details!

We on the MSP-Avionics team are committed to developing programs to serve our customers at every stage of the ownership process. We are here with answers for any of your questions and would love to talk with you.
